

HOWELL SOCCER CLUB

SAFETY INFORMATION

PRACTICES:

1. Meet the parent or guardian responsible for transportation to and from practice.
2. Let parents know when practices end. Make arrangements in case they are late.
3. The coach may not leave any player, regardless of age, at practice. ALL players must have transportation. If a child rides his/her bike or walks to/from practices a written note must be provided that they are aware of the arrangements.
4. If you are coaching a team of the opposite sex, have a parent on the team stay for the duration of the practice.

AT THE PARK:

1. Follow the same guidelines for practices.
2. Designate a meeting spot for your team to meet prior to game time and where to meet the parents following the game.
3. Have parents designate a spot to meet with their family in the event they get separated while at the park.
4. Tell all players not to go into the woods while at the park.
5. Report any suspicious characters hanging around.
6. Drive slowly entering and leaving the park.
7. Allow plenty of time to park. Don't rush in and out of the park.
8. Do not have players wear their name on the back of their shirt.
9. If a player or sibling gets separated from their family, have them go to the concession stand. ALL board members are equipped with 2 way radios to notify field personnel that this is a lost child.

Please keep the safety of the players your number 1 priority.

Thank you for your cooperation.
